Logo Design Competition – Ignite Your Spirit

The Representative for Children and Youth is searching for a unique logo for this year's *Ignite Your Spirit* Indigenous Youth Forum. The successful logo will be used on all items related to *Ignite Your Spirit* including promotional materials, reports and give-away items.

Ignite Your Spirit seeks to amplify the voices of Indigenous young people in B.C. through youth-led forums where they are able to share their needs, experiences and ideas for improving the child-serving system within a safe and supportive environment. The upcoming *Ignite Your Spirit* event will be hosted on Vancouver Island for Indigenous youth in care and in out-of-care options.

Ignite Your Spirit is about sparking a sense of strength and connection. It is about taking a match and starting a fire within a person and helping that person to grow their flame into something magnificent. The logo should represent a resurgence of culture and history in the youth of Indigenous peoples, something we are encouraging by helping youth to reclaim their spirit through knowledge and exploration of who they are.
