# Logo Competition Ignite Your Spirit

IYS 2 Logo

The Representative for Children and Youth is in search of a unique logo for this year's Ignite Your Spirit Indigenous Youth Forum. The successful logo will be used on all items related to Ignite Your Spirit including promotional materials, reports and giveaway items.

Ignite Your Spirit seeks to amplify the voices of Indigenous young people in B.C. through a youth-led forum where they are able to share their needs, experiences and ideas for improving the child-serving system within a safe and supportive environment. The upcoming Ignite Your Spirit event will be hosted in Fort St. James for Indigenous youth in care or in out-of-care options.

## The Competition

The competition is open to First Nations, Métis and Inuit youth under the age of 30 residing in the Prince George area. The logo should represent the meanings and intentions behind Ignite Your Spirit—to spark a sense of strength and connection. The logo represents a resurgence of our culture and history in the youth of our nations, which we are accomplishing by reclaiming our spirit through knowledge and exploration of who we are. We want to highlight the importance of youth voice, youth empowerment and youth engagement.

Logo submissions should:
